Tumi Alpha 2 T-Pass Briefcase

This expandable T-Pass® laptop brief is designed to meet TSA checkpoint requirements, which allow you to go through security without removing your laptop from the case\*. The split-opening case must be packed appropriately to ensure an unobstructed scanning of your laptop. Features include a zip pocket with Tumi ID Lock™, a proprietary technology designed to protect personal data encoded on most IDs, credit cards and passports, a file divider, padded laptop section with removable foam block to accommodate smaller computers, an expandable main compartment and numerous organizer pockets. Embossed leather handles and patented articulating shoulder strap that is designed to stay comfortably in place. Made from Tumi's signature FXT ballistic nylon® with a ballistic weave-inspired pattern on leather trim and interior lining.

\*The TSA reserves the right to ask anyone to remove a laptop from its case, or re-screen any laptop or case.
